

**Email to Team on Break-Out Groups 02/17/12**

Subject: All is set for the 21<sup>st</sup>

Hello Team,

I've spoken to each of our speakers (except Judge Schumacher!) to make certain we are all on the same wave length. We have 39 people attending. We have color coded the nametags to assign people to groups. I wanted you each to have this assignment sheet with the locations in which the groups will meet.

The **Purple** group will meet in room 107 (Chief Justice Saitta to guide group to room)

The **Red** group will meet in the east end of the space in which the entire group is meeting (Judge Schumacher to guide group to area)

The **Blue** group will meet in room 105 (Tom to guide group to room)

The **Yellow** group will meet in the west end of the space in which the entire group is meeting (Lisa to guide group to area)

The **Green** group will meet in room 103 (Kathie will guide group to room)

Those in charge of guiding their group to the meeting space are not expected to lead that group's discussion necessarily. Since we have very limited time in which to accomplish a lot, I thought if we could get our groups moving along quickly that would help. Franz and Melissa plan to roam from group to group.

See you all Tuesday!
